

Scene 1

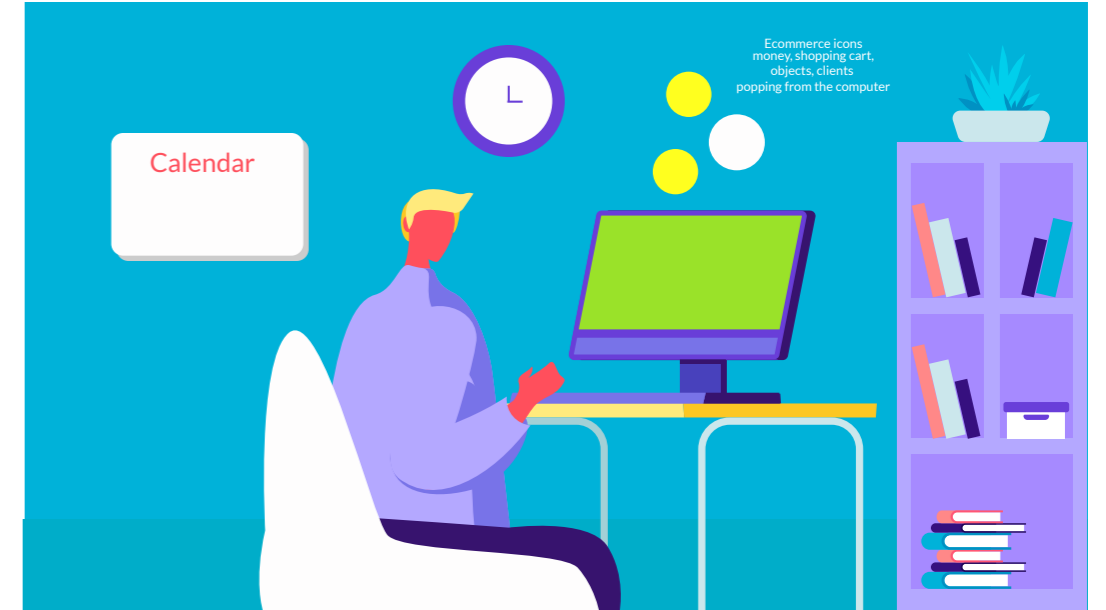

Meet Joe

Scene 2

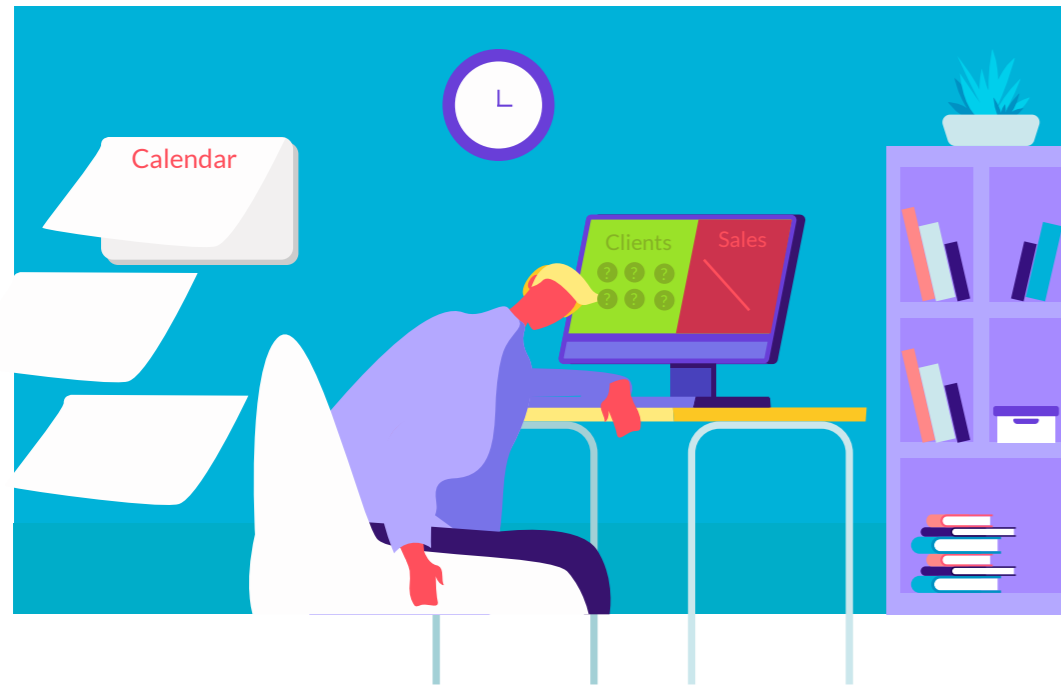

Joe always loved the idea of having an ecommerce store

He walks to the computer Scene 3

and then decided to open one for himself.

Scene 4

It's been 3 years since Joe launched his Shopify store but he's been struggling to gain customers and sales.

Scene 5

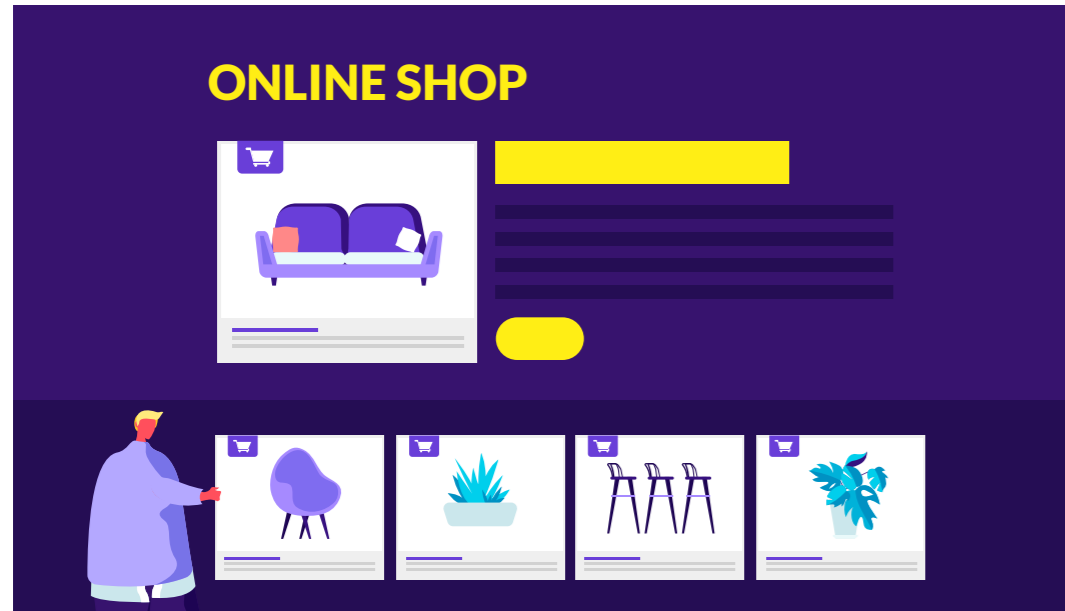

His struggle days were over when he found 3 ways to grow his ecommerce store.

Scene 6

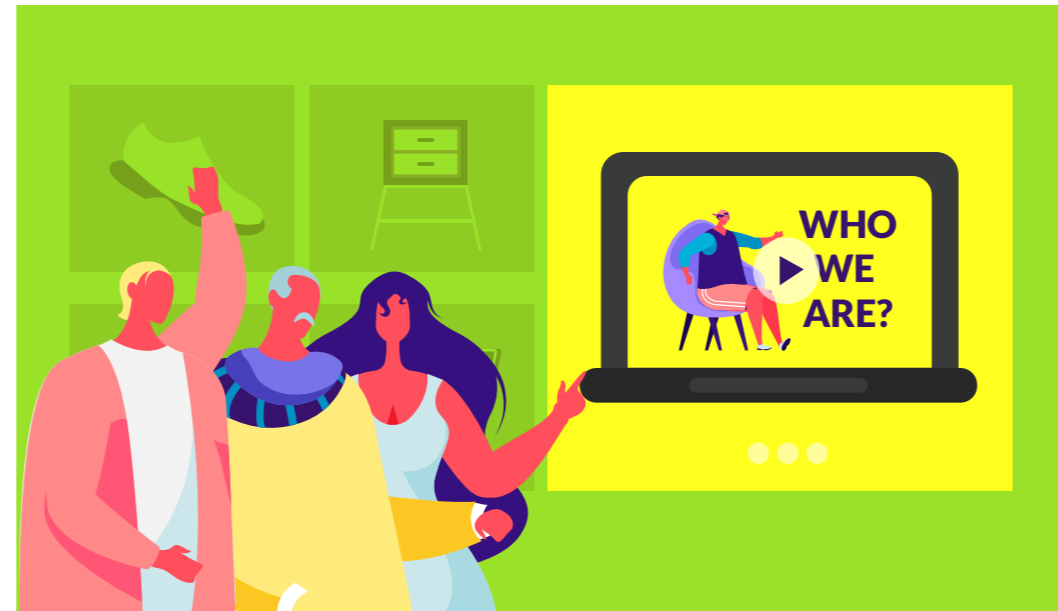

The first way was to make his Shopify store mobile so he could get mobile traffic from mobile users since about 60% of online traffic is mobile.

Scene 7

The second way was to sell more related products in his niche so as to enable prospective customers to buy more of his related products.

Scene 8

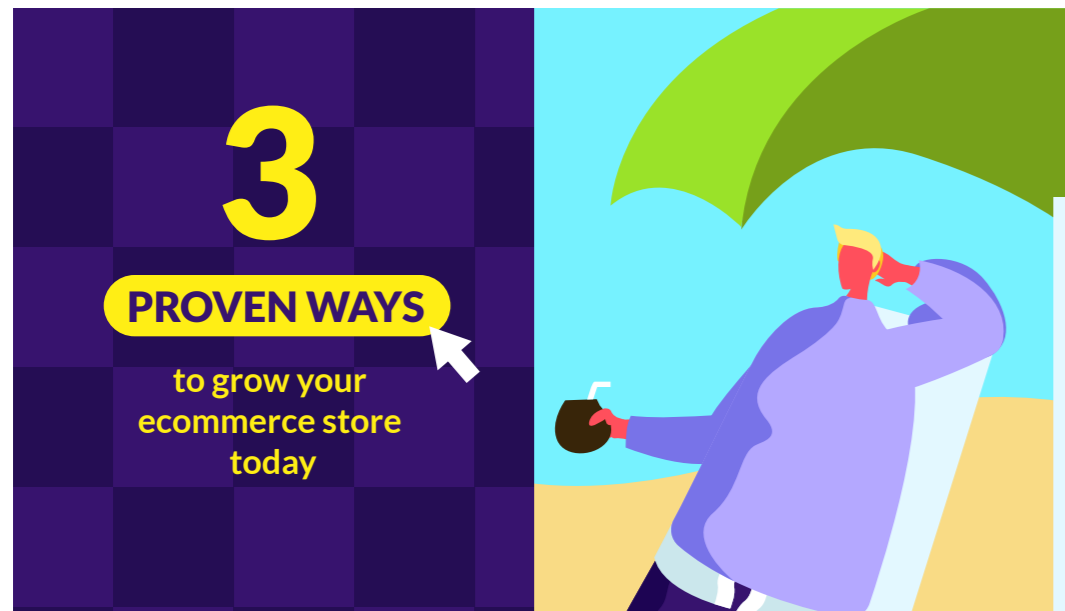

Finally, He created a professional animated explainer video tailored specifically to educate his target audience about his brand and all he has to offer.

Scene 9

Now Joe has a successful Shopify store. He's living his best life.
