What do we do?

Expert-level Appliance Diagnosis & Repair

Washing Machine Repair:

Are you tired of dealing with a malfunctioning washing machine that has left you high and dry? At Biscayne Appliance Repair, we understand the frustration that a malfunctioning washing machine can take on you. That's why we're here to offer you the **best washing machine repair service in Miami, FL**, whether they be top-loaders or front-loaders.

Refrigerator Repair:

We understand how important your refrigerator is in keeping your food fresh and safe to eat. Whether you're dealing with a faulty compressor, a malfunctioning thermostat, or any other issue, Biscayne's skilled technicians are here to offer optimal service. We'll diagnose the problem and provide you with a quick and effective solution to get your refrigerator back up and running in no time.

Dishwasher Repair:

When your dishwasher breaks down, it can be frustrating and stressful, especially if you rely on it to keep your kitchen running smoothly. But fear not, because Dishwasher Repair, the **top dishwasher repair service in Miami**, is here to help!

- Dishwasher not cleaning dishes properly
- Dishwasher making strange noises
- Dishwasher not draining properly
- Dishwasher not starting
- Dishwasher leaking water

Gas & electric Oven Repair:

Cooking up a storm but your oven is failing you? Whether it's not heating up, cooking unevenly, or having a faulty thermostat, igniter, or broken door hinge, we've got you covered. Our team of expert technicians is here to provide fast and effective gas & electric oven repair services, so you can get back to enjoying your favorite meals in no time!

Stove & Cooking Range Repair:

Biscayne is here to provide a top-notch **stove and cooking range repair services**. Cooking is a joyful experience, but it can be a real headache when your appliances are not working properly.

So whether you're dealing with a faulty burner, a broken thermostat, or a problematic control panel, we have the expertise and know-how to get your appliance up and running again.

Dryer Repair:

Is your dryer leaving your clothes damp and musty, even after a full cycle? Are you tired of having to hang up your clothes to dry or making trips to the Laundromat? We understand how frustrating it can be to deal with a malfunctioning dryer.

Our team of skilled technicians is here to help you get your dryer back up and running again.
